TOWN COUNCIL MEETING

The Council of the Town of Drayton Valley held their regular meeting for the month of October on Tuesday morning the 6th of October at 9:30 a.m. Deputy Mayor H. W. Pickup assumed the duties of the chair in the absence of Mayor A. Meier who was away on a holiday to Chicago and adjacent points. Councillors K. Wahl, C. R. Twissell and H. Demers were also present. After adopting the minutes of the previous meetings of the 6th and 28th of September, Council directed that a letter be forwarded to the Hudson's Bay Company requesting permission to anchor the corner pole for the Traffic light to their building. Some discussion was held regarding a request to lower the lane west of Block 3 and then Council decided to approve the request and to direct the Public Works Department. The subject of key streets and side walks was brought up and authorization was given for the purchase of sufficient salt for combating this fall and winter hazard. This meeting adjourned at 12:00 noon with direction to re-convene on the 13th to pursue the subject of an elevated reservoir and development planning. The Council reconvened on the 13th of October with Mayor A. Meier in the Chair. Councillors H. W. Pickup, C. R. Twissell, K. Wahl, D. G. McKenzie, and H. Demers were present. The Municipal Inspector's report was read to Council and after a short discussion of his report Council was given to have the recommendations contained therein acted upon. Councillor Demers was appointed to examine and investigate the requirements for more door opening into and out of the Community Recreation Centre. Further discussion was held on the subject of the elevated Water Reservoir. It was decided to go ahead with plans for setting up a 107,000 gallon elevated Ellipsoidal Water Reservoir as recommended by the Engineers report. By-Law No. 175 was given the necessary reading to authorize the adoption of the 1959 General Assessment Roll for use in 1960. For the past few meetings some discussion has

been held relative to plans for future Town expansion and development. Council after further discussion at this meeting on this subject decided to approve the appointment of a qualified Town Planner to draw up a Block Plan of the un-subdivided portion of Section 4 Twp. 49 Rge. 7, west of the 5th meridian. Councillor McKenzie suggested that delegates attending the Municipal Convention on the 26th and 28th of October in Calgary attempt to gain information regarding Home Construction Mortgages - he stated the Town of Leduc at being one instance where this type of Home Financing was being carried out. First reading was given to By-Law No. 176 being a By-Law to authorize the amending of By-Law No. 91 - the Zoning By-Law of the Town - to permit the construction of a duplex on Lot 7 Bldg. 18 Plan 170 K5. It was decided to authorize up to four members of Council to attend the Municipal Convention as delegates. The meeting adjourned at 12:00 noon.

With the discovery of oil Glen formed their own company, "Glen Construction, Ltd.", and as the company expanded and new oil fields opened, it was necessary for them to leave. For a time they lived at Violet Grove and then Mr. and Mrs. Glen and the two younger boys moved to Edmonton and David and Bob went to live at Fox Creek. In September of this year Bob married Miss Bonnie Murlitt, of Pibroch. His untimely death in a highway accident on October 14 came as a great shock to his family and many friends. Besides his wife he leaves tomorrow his parents; his brothers, David Bill and Don; and his maternal grandmother, Mrs. Lila Burge.

Funeral Service For Bob Glen

Reverend William Sayers conducted funeral services for Robert Wilson Tufte Glen on Monday 19, in Edmonton. Interment was in the Glen family plot in the Edmonstone Cemetery.

To say that a man was respected and loved by all who knew him is a trite expression, but in the case of Bob Glen it is true. He liked people and people liked him.

Bob is the second son of Mr. and Mrs. David W. Glen. He was about four years old when he came with his parents and older brother, David, to live in the Pembina district.

Until 1954 the Glen lived on their west end of present town of Lodgepole, where they raised Hereford cattle, and had their own business.

Bob received his early education from his mother, who is a school teacher, and later attended Drayton school at Pembina and Vermilion Agricultural College.

An inquest has been ordered into the cause of the tragic accident.

District Personalities

Mr. Donald McKenzie

This week's "District Personality" is Mr. Donald Graham McKenzie, general manager of Kew's Men's Wear Store in Drayton Valley. Donald was born in Marsden, Saskatchewan, where his father was a grain buyer. Marsden is a district just south of Lloydminster. He took most of his school work in Edmonton, graduating from high school there. Previous to coming to Drayton Valley to set up the store, in 1954, in partnership with his brother Ken, he was in his father's hardware store in Hughenden, Alberta, for about three years. Mr. McKenzie has been in the clothing business for about ten years. He and his brother have four stores at present, two in Drayton Valley, one in Red Deer and one in Devon. They plan another expansion in Alberta's largest town, Swan Hills, in the near future. Mr. McKenzie is a member of the Drayton Valley Chamber of Commerce. He has been a member of the Drayton Valley Town Council since it was first formed. He was recently re-elected to another three-year term on the Council. Don is a charter member of the Lions Club, and is now Lions President for 1959-60. He is a member of the Pembina Planning Commission, and also a member of the board of the Edson Health Unit. He was a charter member of the Elks club when it was first formed there. Don is a 2nd Degree Mason and a Shriner. He married Miss Marion Miller in 1956, meeting her first when she came out to Drayton Valley as a pharmacist to relieve Mr. Pickup while he went on vacation. Before coming to Drayton Valley, Marion had been pharmacist in the University Hospital. The McKenzies have two girls, both with good Scotch names, Heather and Laurie.

BAY CHANGES CREDIT OFFICE OPENING DATE

The Drayton Valley Hudson's Bay store announced that they would have a change in dates for the opening of their Credit Office. Originally planned to be opened on Tuesday, October 27th the date has now been changed to Friday, October 23rd. For the opening of the credit office. All wishing to make inquiries regarding the credit facilities may to the rear door of the store where they will find the temporary credit office.

Work is going ahead in setting up the stock in the huge new store, which will be a very fine addition to Drayton Valley's shopping district. Work has gone ahead, also, in spite of bad weather, on the parking area adjacent to the store. It is not expected that paving will be done on it this fall as the ground is quite soft, but it has been well leveled and will be gravelled. Most of the staff of the store have been local people who have been hired by the company, making it a policy to get as much local help as possible, and also to deal with local businessmen and dealers.

Athletic Assoc. To Meet

All residents of Drayton Valley are asked to be present for a general meeting public meeting of the newly formed Drayton Valley Athletic Association to be held in Elks Community Hall, November 5th, Thursday, at 8:00 p.m.

All business owners are particularly requested to be present. Pony League Baseball Trophies will be presented at this meeting. Also.

Ninety Year Old Flute

Whether it is a flute or a tin whistle has never been satisfactorily established, according to Mr. Fred Hunt of Round Valley, who owns it and plays too-rickling tunes on it. But, says Mr. Hunt, there is no question as to its age, which is ninety years, as the Senior Mr. Hunt brought it from England when he was fourteen years old and it was already several years since the flute (or whistle) has been made at that time. Apparently there were only six of these particular musical instruments made; one found its way to this district.

Mr. Hunt can coax quiet good music from the little wind instrument.

He has played it on numerous local occasions. Mr. Hunt says that he saw a man on T.V. playing one of the other five similar instruments not too long ago. The T.V. player was the authority for the statement that only six original flutes of that nature had been made in the Old Country.

An old-timer in the district, Mr. Hunt homesteaded at Round Valley in 1915. He writes poetry and fills in at parties and other special occasions in his district with poetry readings, some of which are quite humorous.

Mr. Hunt was born in Ottawa.

Local Option Vote

We, representing a considerable number of Drayton Valley's citizens feel that it is not in the best interests of our town to have additional liquor outlets in our midst in the way of Dining Lounge and Liquor Lounge facilities. We request a negative vote on this issue in the forthcoming local Option Vote in this district: not wishing to impose our will or way of life on the community as a whole but rather we are asking our populace to consider and realize that these new outlets for liquor provide only one more temptation and burden upon those who suffer from alcoholism, for whom even the sight and smell of liquor may provoke a bout of drinking that may cause infinite personal sorrow and distress of

being. We recognize that there are many who would enjoy the drinking conveniences offered in these Liquor lounges and that there are many who are able to use the privileges without going to excess. However, in perfect christian charity let us say with St. Paul, "If meat maketh my brother to offend, I will eat no meat while the world standeth, lest I make my brother to offend. Let us as mature persons forego the privilege of what is essentially luxury, for by this restraint we shall avoid the throwing of a stumbling block into the way of our weaker brethren. If these new liquor outlets cause even one person to fall into one bout of drunkenness, and we believe they will, then, in our opinion they should not be there.

This summarizes the experience with Canada of more outlets producing more drunks.

Readers interested in the incidence of alcoholism throughout the Canadian provinces will appreciate the report of two researchers, R. E. Popham and Wolfgang Schmidt of the Alcoholism Research Foundation of Ontario, giving statistics of their careful study.

The figures shown in brackets are the estimated number of alcoholics for 1956. The following figure is the alcoholism rate per 100,000 of the population 50 years old and older. They should be regarded as most tentative, for it is stated: "Later revisions, while showing the same relative order in estimates given, may call for much higher absolute numbers in every case."

Here are the figures: B.C. (21,640) 2,495; Alta. (8,960) 1,390; Sask. (5,280) 975; Man. (8,370) 1,570; Ont. (68,930) 2,050; Que. (58,018) 1,550; N. B. (3,899) 1,340; N.S. (6,500) 1,150; P.E.I. (750) 1,250; Nfld. (1,865) 860.

Notice that B.C., Ont., and Que. having had these types of outlets for the longest periods, also have the largest number of alcoholics per 100,000 of population.

"NEVER TAKE COUNSEL OF YOUR FEARS"

Fear is a bad adviser, particularly when your health is concerned. Some people are afraid to consult a physician when sick. They fear they may have a serious trouble and are afraid to find out the truth.

A physician can soon relieve fear, by accurately diagnosing the cause of the sickness, which then probably can be soon cured. Even if the sickness were one of the few incurables, an early diagnosis and proper treatment would make it easier to live an almost normal life. Depend on your physician and the medicine he will prescribe.

God's Goodness

This week's contribution to the Series by local Church Leaders is presented by the Reverend J. C. Wulff of the Drayton Valley Church of God.

There are many times when our hearts cannot seem to agree with the psalmist when he says, "The earth is full of the goodness of the Lord." There are men of the community who have been laid off their jobs, and there will likely be others as the winter months in on us. Surely at such times one has certain questions, such as, "Why me?" Or you may ask, "Where is God now?"

As we travel along the roads we see crops still standing in fields or lying in the swath, and we suspect that our farmer friends ask the same questions.

When we stand under the blows of adversity of various kinds, we often are tempted to yell and rant against what we consider unjust jolts, or to throw up our hands in defeat and resignation saying, "Well, what else could I expect? This isn't heaven." To expect to find good things of enduring worth, things born of truth and beauty and love, only in the life to come is to invite a severe test of patience and faith, and is not at all necessary. For the Christian religion is not one of gloom. It is one that sings happily and sincerely of the goodness of the Lord, in this life as in the next.

This Monday morning as I sat down in my study chair, I began to think about yesterday and of those who worshipped God with us. The worshippers expressed either the positiveness of God's goodness or not. There were not any that walked on the middle ground. Those who worshipped God with a positiveness I expect, are the individuals who will reflect that goodness to others whom they meet in their respective vocations. Life is more than meat and drink. It is joy that thrills the total man.

us. Miss Keller's secret was to take to heart Jesus' admonition, "Seek ye first the Kingdom of God, and His righteousness." She sought and found it right where he said it would be. Within. Finding goodness in the earth then was easy.

You may have financial problems, marital problems, religious problems, etc. Regardless how they are enumerated our problems of life are all basically the same. They begin and end with us and with our acceptance or denial of Jesus is the one Comforter, the one Redeemer of our sin. Putting ourselves completely in His hands, we find that neither storm nor strife can cause the indelible fact, because it is, in Him, the earth truly is full of the goodness of the Lord.

BOXING CARD STAGED

A cold, cold night kept many people away from the Boxing matches staged by the Pembina Boxing Club of Drayton Valley, on Wednesday October 14th in the gymnasium at the Drayton Valley Club. A large and good sized group turned out anyway, to watch the second boxing match to be staged in Drayton Valley by the local boxing organization. Clubs were represented from Edmonton and Edmonton. Judges were Rex Burrows and Bill Johnson. Official time keeper was Ray Hinchler. Referees were Andy Anderson, of Drayton Valley and Leo Noble of the Edmonton Boxing Club. Announcer was Emile Lindholm. Each boxer was staged to go for three two minute rounds.

First fight on the card was an exhibition bout between a couple of pee wees, Norman O'Guire, weight 65 lbs. and Marvin Kjoines weight 70 lbs. Both are of C.A.C.

The next fight was between Harvey Williams, 137 lbs., of the Edmonton Club and Bruce Lambeth, 137 lbs., of the Edmonton Club. In which Williams was declared the winner. In the eighth bout Ruffus Combs of the PBA, 138 lbs., was matched against Danny Lee, weight 140, of the Edmonton Club. Ruffus won the match.

handily with a TKO in the first round.

The final bout was between Johnny Berg, 180 lbs., of the Drayton Valley club and Dennis Damsen, 182 lbs., of the Edmonton Club. Berg, who has done some real good fighting in recent years in Edmonton, winning with TKO's, was obviously not in top form for the match and he was matched against a fair and tough boy with the result that Berg lost the decision to Damsen.

Further fight cards are planned for Drayton Valley in the future, with the next one scheduled for Friday, November 26, at 8:00 p.m. in the Elks Community Hall.

PROCLAMATION

Local Option Area of the TOWN of DRAYTON VALLEY

In obedience to Her Majesty's writ, dated September 3rd, 1959, requiring me to take a poll in order to elicit from electors of the local option area of the Town of Drayton Valley, twenty-one years of age and over, an expression of opinion on the following questions:

- (1) Are you in favor of the sale of liquor (including beer and wine) for consumption with meals under a dining lounge license?
- (2) Are you in favor of the sale of liquor (including beer and wine) for consumption with or without meals, under a lounge license?

PUBLIC NOTICE is hereby given that a poll will be open on the

Twelfth Day of November, 1959

in each of the polling subdivisions hereinafter mentioned, from the hour of Nine o'clock in the forenoon to Eight o'clock in the evening for the above-mentioned purposes:

POLL No. 1 — Drayton Valley town local option area which includes all of the town bounded by the following boundaries: commencing at the centre of section 9, township 59, range 7, West of the 5th meridian, proceeding north to a point 800 feet north of the centre of section 16, township 49, range 7, West of the 5th meridian (or the North-east corner of legal subdivision 11); thence due west to highway 57, West of the town; thence in a South-westerly direction along the highway to a point 1100 feet South of 50th avenue; thence East to the line between the N.E. and N.W. quarters of section 8, township 49, range 7, West of the 5th meridian; thence South to the centre of section 8, township 49, range 7, West of 5; thence East to the starting point, namely the centre of section 9, township 49, range 7, West of the 5th meridian. Poll at the Community Hall on 50th Avenue.

ADVANCE POLL: For the convenience of electors who will be necessarily absent from their homes on polling day, or invalids, an Advance Poll will be open from the hour of two o'clock till 9 o'clock in the afternoon and from seven o'clock till ten o'clock in the evening of the Thursday, Friday and Saturday of the week before that of the polling day, at the residence of Chester Miller, directly across the street from the Community Hall.

Further take notice that persons desirous of acting as agents at the polling place on election day or at the final count, should apply in person to the Returning Officer at 5020 52nd Avenue, Stony Plain, Alberta, for appointment, and from such applicants agents will be chosen as follows: (a)—two agents to attend on behalf of those persons desirous of obtaining negative answers, and (b)—two agents to attend on behalf of those persons desirous of obtaining affirmative answers.

AND FURTHER that at Stony Plain the 23rd day of November 1959, at the hour of ten o'clock in the forenoon, I shall attend and announce the result of the count of vote. Of which all persons are required hereby to take notice and govern themselves accordingly.

GOD SAVE THE QUEEN

Given under my hand at Stony Plain, Alberta, this 5th day of October, in the year 1959.

C. Stuart Ibsen,

Returning Officer

D.V. Highlights Here and There

BY EDITH DEBY

Our deepest sympathy is extended to the Glen family in its recent, sad bereavement.

Mrs. Arthur Playford left last Friday for her annual trip to Hawaii where the will do missionary work for the winter.

Little Darlene Carol Shannon, of Amisk, has come to live with her aunt, Miss Bernice Smith of the Pembina News Advertiser staff. Darlene is six years old and has enrolled in first grade at Drayton Valley School. Darlene's daddy is a minister at Amisk.

Charles Johnson, of Home Oil, well known here, narrowly missed serious injury one evening last week on Highway 57.

Chuck was stopped by the side of the road with engine trouble and a passing motorist had also stopped to give help.

A vehicle pulling a house trailer was approaching but since both were well over on the shoulder of the road either man paid any particular attention.

The trailer was weaving badly and as it drew near it lurched toward them and struck Mr. Johnson throwing him on the hood of his car. Fortunately his injuries are not of a serious nature and he expects to be back at work in a few days.

The driver of the vehicle, which was hauling the trailer, did not stop!

"May I have another cake?"
"Another cake what?"
"Another cake, please."
"Please what?"
"Please, Mother."
"Please, Mother what?"
"Please, Mother dear."
"No, You've had two already!"

NATIONAL SUPPLY MAKES PERSONNEL CHANGES.

With the closing of National Supply Oilfield stores in Leduc, Sask., Swift Current, Sask., Virden, Man., and Redwater, Alta., a change in staff at the Drayton Valley store took place.

Mr. H. T. Deby and Mr. W. G. Johnson assumed the Major's role in Edmonton last week.

Working in the Drayton Valley Meat Market is Elizabeth Bishop of Tomahawk, who, sister, Emma, is a teller in the bank.

Bob Wicklund, recently of Edmonton, is keeping books for Molnar Plumbing. He wants to get his family out here as soon as he can locate a livable place. He has one boy, 14 and a girl 10, and, of course, a wife.

SCOUT & GUIDE MOTHS AUXILIARY.

The Scout and Cub Mothers Auxiliary held their monthly meeting in the Scout Hall, on Thurs. Oct. 22nd at 8:15 p.m. with Mrs. J. Johnson presiding. Arrangements were made for the Auxiliary to serve tea at the opening of the new Royal Bank of Canada in Drayton Valley on Saturday the 24th of October between 9-5 p.m. All Scout and Cub mothers please bring cookies or cake, to the bank on Saturday between 1-2 p.m. There will be a silver collection to help the Auxiliary funds.

By popular request the Auxiliary are having another Skate and Bake Sale on Saturday, November 7th from 10-12 a.m. in the Scout Hall. It was also decided to have the annual Peanut Drive the first week in December.

The November meeting of the Auxiliary will be held in the Scout Hall on the 12th of November at 8:15 p.m.

Boy Injured By .22 Bullet

While playing with other boys near the Town Lagoon Wednesday afternoon, eleven year old Larry Redinger was injured by a .22 rifle shot. The shot entered the boy's left side, and passed out on the other side. He was removed immediately to the Drayton Valley Hospital, where his condition is said to be satisfactory.

The Company requires immediately a young qualified and talented

Petroleum Engineer

with geological experience

Duties will entail the handling of reservoir studies, representing Operations, daily production control and all well site drilling work (geological and engineering).

Geologist

will be required about March 1960

The company has seventeen wholly owned and one 50% owned oil wells in the Pembina and outlying neighborhood. It also has four shut-in gas wells at Minnehik and Bigsby.

The Pembina properties produce satisfactorily and secondary recovery operations are being started. At Bigsby the company has interests, varying from 50% to 100% in four drilling reservations. On one reservation development wells are being drilled immediately offsetting a recent oil discovery, while in the vicinity of gas wells on two of the other exploratory drilling will be continued during the winter. The fourth reservation was acquired very recently. Near the time of gas export development wells will be drilled at Minnehik and Bigsby. It is the company's intention to obtain further acreage for development and exploration in the near future.

In the Arctic the first season's geological work has just finished and further operations will be started again in 1960. This exploration work covers 2,750,000 acres in Cornwallis, Bathurst and Melville Islands of the Perry Islands Group. All Arctic operations are conducted in the name of an affiliated company, Round Valley Oil Co. Ltd.

Fine opportunities exist for suitable applicants in a company that has ample scope for development and growth. Life insurance, medical and pension schemes are in operation. Those interested are invited to write giving full particulars of qualifications and experience to:

The Secretary-Treasurer,
LOBITOS OILFIELDS CANADA LTD.,
940-10th Avenue Southwest,
Calgary, Alberta.

All correspondence will be treated as private and confidential.

"School Daze"

By: RUTH I. THURTELL

It looks to be "ol' man Winter" is having a time of it, trying to decide whether or not he is going to stay with us. If he does decide to stay, that fresh, clean white snow will be a relief compared to the mud that we've been wading in. A relief to everyone, and especially to the Horple family, who do in a excellent job of keeping our school clean. They have been kept busy and broke, hiring a "cat" to scrape out the mud that accumulates in the hall ways because forgetful students don't scrape their "Drayton Valley Oxfords". What do you say students? Let's try and remember a little harder, O.K.?

Since last week, a number of comments have been received in connection with this column and all of them are truly welcome. Questions have also arisen as to how to order some "World's Finest Chocolate", chocolate bars from the school. Advance orders may be made by phoning your order in to one of the following numbers:

Public Notice

NOTICE IS HEREBY GIVEN that the Council of the Town of Drayton Valley propose to pass a By-Law No. 106 of the said Town, being a By-Law to amend By-Law No. 91 being the Zoning By-Law of the said Town.

That By-Law No. 146 authorize the Council to amend By-Law No. 91 as follows:

1. That Lot 7 in Block 18 in Plan 170 KS be changed from low density residential to High Density Residential classification.
2. That this By-Law come into effect on and after the third and final reading thereof.

A copy of the said By-Law and the Map of the proposed area may be examined at the Town Office during regular business hours.

A Public Meeting will be held in the Town Office at 10.00 a.m. on the 10th. November, 1959, to consider any objections, complaints or recommendations pertaining to the said amendment.

Other than that, news is scarce as there have been no elopements or sudden "puppy love" affairs. We have to rely on couples like Daston Heyford and Gail Williams to set the pace for the "youngsters". So until next week I'll have to play cupid, and wish you "adieu".

CANADIAN UNDERWRITERS ASSOCIATION

A representative of the Canadian Underwriters Association, Mr. A. Piper, was in Drayton Valley recently running tests on Drayton Valley Water Department fire hydrants. The test was made under the Underwriters' program of "Surveys of Fire Defences of the Community".

The underwriters use a grading schedule to determine any degree of variation from recognized standards, as set up by the National Fire Underwriters. As well as testing fire hydrants, tests were made of fire fighting equipment and other phases of the town fire-fighting program. From these tests will be established the basic for fire insurance rates in Drayton Valley.

BOXING IN DRAYTON VALLEY

Leonard Urchysbyn of Drayton Valley and Larry Barner, of Edmonton South Side Legion Club, during the recent boxing matches in Drayton Valley.

Referee Andy Anderson watches closely as little Charlie Billingsley (left) and Marney Lowry give a good exhibition of peewee boxing.

Jerry Beck, (left) and Don Gauthier spar cautiously in the ring on Thursday, November 26.

In spite of some pretty stiff competition from other events staged in Drayton Valley the night of Thursday, November 26, the boxing card put on in the Elks Hall drew an almost capacity crowd. Nine bouts were staged, under the auspices of Drayton Valley Athletic Association. An excellent job of announcing the fights was done by S. H. "Spitz" Brown. Judges were Bill Johansson and Buddy Watkins, official timekeeper was George Miller. Referee was Andy Anderson who refereed the entire 23 rounds of fighting.

Box number one saw Doug Mahe, 94 lbs. of Canadian Athletic Club, Edmonton, mixing it hotly with Gary Mastr, 82 lbs., of the Drayton Valley Club. Gary was given an unanimous decision over the other lad.

In the second round Ken Sceman 105 lbs. of C.A.C. beat out Cliff Ronesseth 102, of the Edson Club for the decision.

Box number 3 was a rematch fight between Cliff Lindskog, 88 lbs. of Drayton Valley and Tom Mathews, 85 lbs., of South Side Legion Club. These were a couple of scrappy little fighters who put up a good fight all the way through for a final close decision for Lindskog.

Two peewees fought it out in the fourth scrap. Charlie Billingsley, 45 lbs. and of South Side Legion and Marney Lowry, 51 lbs. of Edson. Both put up a mighty good and entertaining fight in which Billingsley got the judges decision. The fifth bout was between Leonard Urchysbyn, of Drayton Valley Club, 65 lbs. and Larry Barner, 62 lbs., of South Side Legion. New to boxing, the Urchysbyn lad showed very good form and was the match quite handily.

The sixth bout was between Don Gauthier, of Edson, 136 lbs. and Geny Beck, 126, of Drayton Valley. In spite of the fact that he has not been in the ring or training for four years, and the twelve pounds he was giving, Beck put up a very good scrap, and we should see more of him at a later time. The judges gave the decision to Gauthier.

In the seventh match Ken Watt, 137 lbs. of Drayton Valley won in the first round by a T.K.O. over Bruce McMullen, 127, of the Edson Club.

Box Number 8 was between a couple of mini swinging Swedes, Gerry Johnson, 127, of Drayton Valley and Reg Johnson, 129 lbs. of Edson. Down for the count of

Mr. John Robert MacKenzie

John Robert MacKenzie was born in Grand Forks, B.C., of Scottish parents. The family moved from B.C. to southern Alberta and homesteaded, and in 1926 Mr. MacKenzie moved to Vermillion.

When the oil boom hit here and the farm was sub-divided he went into the trucking business, and is at present operating under the name of Mack & Mann Trucking, about half a dozen trucks.

In addition to farming he has worked at a number of other jobs: while farming in Vermillion before the war he worked for the railroad in the winter and as highway foreman in the summer; before coming to Alberta, as a young lad, he worked in gold mine and coal mine. For a while he also drove Greyhound Bus, being one of Greyhounds' first drivers when they started operating in Alberta.

Mr. MacKenzie is charter member of the Rotary Club in Drayton Valley, a member of the Canadian Legion, a member of the Army and Navy Club in Edmonton, a member of the Chamber of Commerce and is a member of the Elks Lodge.

Mr. and Mrs. MacKenzie were married in Vermillion, twenty-five years ago. Last Friday evening they celebrated their Silver Wedding Anniversary with a number of friends on hand for the occasion. They have five children: Kenneth, Margaret, John, and the twins, Barbara and Isabel.
